11<sup>th</sup> February 2022

Dear Parents and Carers,

We have had a wonderful day so far dressed in pink and red to acknowledge the importance of love in our lives and to mark the start of the half term holiday. I hope that many of you can stop by the cake stand later today to enjoy a delicious sweet treat as well. Thank you for your support of these PTA events. The money raised makes a difference to our provision at school for every pupil. We are very fortunate to have an amazing PTA and supportive members of our school community who give so many hours voluntarily to organise an array of exciting events.

This has been a busy half term and I couldn't be prouder of our pupils as they have continued to strive to be the best learners they can be in every lesson, every day. I know some pupils have been tired this week and it has been hard to get up in the morning, which can happen in the lead up to the holiday.

I am very proud to work with such talented staff who are dedicated to the pupils in our care and work tirelessly to ensure pupils are safe, happy, ready to learn and flourishing at school. I know they are looking forward to the holiday so they can to recharge, ready for the next half term.

We have truly valued working in partnership with you this half term in so many ways. The English stream parent teacher meetings in January went very well. Bilingual reports for 1B – 6B go out today and RB parents will be invited to meet with their teachers next half term. If there is anything you would like support with, please don't ever hesitate to ask us. You have actively participated in our parent workshops this half term for maths and Zones of Regulation. Our plan is to hold more workshops so if you have any ideas, please let us know.

## **Term Dates**

The term dates for 2022-23 for the English stream have been published on our website, please click [here](#). Once EdW have confirmed the bilingual term dates we will share these with families in our bilingual stream.

## **COVID19**

We have had quite a rise in pupils testing positive for COVID19 this week. Classes affected have been informed. Please continue to test regularly to identify asymptomatic cases. Anyone with symptoms is currently expected to get a PCR test. We ask that every pupil takes a lateral flow test before returning to school on Monday 21<sup>st</sup> February.

We look forward to welcoming you back to school on Monday 21<sup>st</sup> February and hearing all about your holiday adventures.

Stay safe and enjoy the valuable time you have together.

With my very best wishes  
Miss Henry
