

AFC Wimbledon Year 4 Boys'

Football Tournament

Belleville Wix Academy recently entered a Year 4 Boys' Football Tournament organised by AFC Wimbledon and held at their home ground, The Cherry Red Record Stadium.

This was a great opportunity for our year 4 pupils to play together as a team for the first time outside of school. We faced a field of strong competition, including 24 schools from the local area.

The team performed fantastically to win one match and draw two. Their effort during every game should be applauded and the team learned a lot from the experience. This stands the team in great stead as we look forward to further competitive fixtures and tournaments next year and beyond.
