Bug Club Parent Workshop

English Team

Claudia Hawes

Alex Baker

What to expect in the workshop

- To share how to use Bug Club with your child at home
- Why we are extending Bug Club to KS2
- How you can help your child with their reading at home

Bug Club

<https://www.activelearnprimary.co.uk>

Belleville Wix Academy

Why are we using Bug Club?

- Engaging way for children to read independently
- Teachers are able to allocate books based on children's reading levels
- Include a variety of fiction and non-fiction texts which children will be interested in
- Simple comprehension tasks embedded in the texts to check in with children's understanding of what they read

Timeline

- Children will be given their passwords and usernames on Friday 15th November.
- Teachers will have set the children an allocation of books, it is important they use this platform but they do not need to rush through texts.
- We will be celebrating children's Bug Club reading as a whole school

Reading at Home
