Wandsworth Primary Schools Cross Country

As part of the school's drive to increase pupils' engagement in competitive sport, twenty pupils from Years 5 and 6 competed in the Wandsworth Primary Schools Cross Country event on Wednesday 9th October at Tooting Bec Common.

Four races took place, for boys and girls in the two year groups, in which our pupils ran alongside up to 100 other children from twenty different schools across the borough. At the same time they were cheered on by a huge crowd of children, parents and school staff along the 1500m track.

Each of our pupils should be commended for their effort during a tough race and maintaining a positive attitude when competing against strong competition. For many of our pupils, this their first experience of cross country and we hope that it will inspire them and others to take up the sport in the future.

A special mention must go to Aaron Arola, in Year 5, for finishing in 16th place with a time of 5 minutes 39 seconds!
