

Belleville Wix Academy

World Book Day 2022

This year, the pupils and staff of Belleville Wix celebrated World Book Day on Thursday 3rd March. The day was marked with lots of costumes inspired by our Star Authors, events in classrooms throughout the day which gave our readers the chance to engage in their love of reading through exploring our chosen book, *Change Sings* by the poet Amanda Gorman. As is usual on World Book Day and every other day in BWA, the love of reading was tangible.
