Democracy

Rule  
of Law

Year 6 visited Lavender Hill Magistrates' Court to develop their knowledge of the criminal system and how law is enforced. In one of the courtrooms, they played out a scripted mock trial, taking the roles of the Chair, Solicitors, Crown Prosecutors, Prosecution Witnesses and more. The class enjoyed acting in the courtroom and making their way to the stand to speak. They developed their knowledge in two specific British Values: Democracy and Rule of Law.

Afterwards, Year 6 were given the opportunity to ask any further questions and ended their visit with a tour of the now unused cells below. They were surprised to see how small the cell rooms were. Year 6 were articulate with their reading and asked lots of interesting questions.
