

Autumn 1: 33 lessons					
1 Chapter 1: Numbers t	o 10				
INSET day Q1E	INSET day school	Lesson expectations: Transitions between carpet and tables Books Consolidation Deepening (Worth referencing time from earlier on in the year)	Lesson 1: Counting to 10 over 2 days to be able to count numbers to 10 accurately – forwards and backwards.	Lesson 1: Counting to 10 over 2 days	
2 Chapter 1: Numbers t	o 10	yeary			
Lesson 2: Counting Objects to 10 <u>over 2</u> <u>days</u> To be able to count similar objects up to 10 with accuracy and fluency.	Lesson 2: Counting Objects to 10 <u>over 2</u> <u>days</u>	Lesson 3: Writing to 10 over 2 days To be able to write all numbers to 10 in numerals & words; to count only objects of the same name in a group.	Lesson 3: Writing to 10 over 2 days	Lesson 4: Counting To Zero over 2 days To be able to understand what zero represents and use it when counting.	
3 Chapter 1: Numbers	to 10		•		
Lesson 4: Counting To Zero <u>over 2 days</u>	Lesson 5: Comparing Numbers of Objects over 2 days To compare objects using matching and counting; to use the terms 'fewer', 'more' and 'is equal'.	Lesson 5: Comparing Numbers of Objects <u>over 2 days</u>	Lesson 6: Ordering Numbers over 2 days To be able to order numbers to 10 and know which number is greater or is lesser in value.	Lesson 6: Ordering Numbers <u>over 2 days</u>	
4 Chapter 1: Numbers	to 10	·	Chapter 2: Number Bonds		
Lesson 7: Comparing Numbers <u>over 2 days</u> To compare numbers using the terms '1 more' and '1 less'.	Lesson 7: Comparing Numbers <u>over 2 days</u>	Chapter 1 review and consolidation To practise various concepts covered in the chapter	Lesson 1: Making Number Bonds <u>over 2</u> <u>days</u> To understand a number is made up of other numbers; to find other ways as possible to construct a number.	Lesson 1: Making Number Bonds <u>over 2</u> <u>days</u> (Room to do across 3 days if needed – could use consolidation day).	
5 Chapter 2: Number B			Chapter 3: Addition Wit		
Lesson 2: Making Number Stories <u>over 2</u> days To use number bonds for storytelling.	Lesson 2: Making Number Stories <u>over 2</u> <u>days</u>	Chapter 2 review and consolidation To practise various concepts covered in the chapter.	Lesson 1: Add By Using Number Bonds over 2 days To be able to add two different numbers within 10. Pupils will become familiar with the different vocabulary associated with addition.	Lesson 1: Add By Using Number Bonds <u>over 2</u> <u>days</u>	
			lex concepts e.g. missing		
Lesson 2: Add by Counting On <u>over 2</u> days To add by counting on.	Lesson 2: Add by Counting On <u>over 2</u> <u>days</u>	Lesson 3: Completing Number Sentences over 2 days To complete number sentences and gain an understanding of inverse operations.	Lesson 3: Completing Number Sentences <u>over</u> <u>2 days</u>	Lesson 4: Making Addition Stories <u>over 2</u> days To be able to make addition stories using correct vocabulary.	
	Within 10				
7 Chapter 3: Addition \		Lesson 5: Solving Picture	Chapter 3 review and	Consolidation	
7 Chapter 3: Addition V Lesson 4: Making Addition Stories <u>over 2</u> <u>days</u>	Lesson 5: Solving Picture Problems <u>over 2 days</u> To be able to solve addition problems through pictures.	Problems <u>over 2 days</u>	consolidation To practise various concepts covered in the chapter.	To be used if lessons take longer than expected or a topic needs to be revisited.	

1 Chapter 4: Subtractio	on Within 10			
INSET day Q1E	Lesson 1: Subtract by Crossing over 2 days To understand that subtraction can be done by crossing out or taking away.	Lesson 1: Subtract by Crossing <u>over 2 days</u>	Lesson 2: Subtract by Using Number Bonds over 2 days To be able to subtract using number bonds.	Lesson 2: Subtract by Using Number Bonds over 2 days
2 Chapter 4: Subtraction			•	
Lesson 3: Subtract by Counting Back over 2 days To understand that subtraction can be done by crossing out or taking away.	Lesson 3: Subtract by Counting Back <u>over 2</u> <u>days</u>	Lesson 4: Making Subtraction Stories <u>over</u> <u>2 days</u> To be able to make subtraction sentences.	Lesson 4: Making Subtraction Stories <u>over</u> <u>2 days</u>	Lesson 5: Solving picture problems <u>over 2 days</u> To be able to solve picture problems involving subtraction.
3 Chapter 4: Subtract	ion Within 10			Ch5: Positions
Lesson 5: Solving picture problems <u>over 2 days</u>	Lesson 6: Addition and Subtraction <u>over 2 days</u> To solve problems in the context of add & subtract & to find the corresponding number families.	Lesson 6: Addition and Subtraction <u>over 2 days</u>	Chapter 4 review and consolidation To practise various concepts covered in the chapter.	Lesson 1: Naming Positions To learn the appropriate positional language (ordinal numbers) for up to 10 positions. (FF: Left & right)
4 Chapter 5: Positions	Chapter 6: Numbers to	20		
Lesson 2: Naming Positions in Queues To be able to name the positions in a queue. (NB: No chapter review) 5 Chapter 6: Numbers	Lesson 1: Counting to 20 (over 2 days) To count numbers up to 20. The key strategy is to begin by making 10. to 20	Lesson 1: Counting to 20 (over 2 days)	Lesson 2: Writing to 20 (over 2 days) To recognise, read and write numbers up to 20 in words and numerals.	Lesson 2: Writing to 20 (over 2 days)
Lesson 3: Comparing	Lesson 4: Ordering	Lesson 4: Ordering	Lesson 5: Number	Lesson 5: Number
numbers To use the terms 'greater than' or 'less than' to compare numbers within 20.	Numbers <u>over 2 days</u> To be able to arrange numbers up to 20 in ascending and descending order	Numbers <u>over 2 days</u>	Patterns <u>over 2 days</u> To look for patterns with numbers up to 20, focusing on one more and one less than a number.	Patterns <u>over 2 days</u>
6 Chapter 6: Numbers		Chapter 7: Addition an	d Subtraction Within 20	
Chapter 6 review and consolidation To practise various concepts covered in the chapter.	ADDITIONAL LESSON: Investigating numbers beyond 20	Lesson 1: Add by Counting On To learn to add by counting on from the largest number.	Lesson 2: Add by Making 10 (<u>over 2 days)</u> To add to numbers by first making 10 and then adding on the remainder.	Lesson 2: Add by Making 10 <u>(over 2 days</u>
7 Chapter 7: Addition a	nd Subtraction Within 20			
Lesson 3: Add by Adding Ones <u>over 2</u> days To add by separating the ones and ten. This enables pupils to add the sum of the ones to the ten.	Lesson 3: Add by Adding Ones <u>over 2</u> <u>days</u>	Lesson 4: Subtract by Counting Back To learn how to subtract by counting back from the largest number	Lesson 5: Subtract by Subtracting Ones To learn how to subtract by subtracting from only the ones column.	Lesson 6: Subtract from 10 (over 2 days) To subtract a certain amount of ones from 10 rather than from the ones, as there are not enough ones.
	nd Subtraction Within 20			
Lesson 6: Subtract from 10 <mark>(over 2 days)</mark>	Lesson 7: Addition and Subtraction Facts over 2 days To go through number facts derived from addition and subtraction sentences.	Lesson 7: Addition and Subtraction Facts <u>over 2 days</u>	Chapter 7 review and consolidation To practise various concepts covered in the chapter	Christmas break

Year 1 coverage overview 2023-24 Spring 1: 24 lessons

1 Chapter 8: Shapes &				
INSET day school	Lesson 1: Recognising 3D Shapes To recognise four basic 3-D solid shapes: spheres, cubes, cuboids and pyramids.	Lesson 2: Recognising 2D Shapes To recognise 2-D shapes in the everyday environment.	Lesson 3: Grouping 2-D Shapes To be able to group shapes using different criteria	Lesson 4: Making Patterns To make patterns using common 2-D shapes.
2	Chapter 9: Length and	Height	·	
Chapter 8 review and consolidation To practise various concepts covered in the chapter.	Lesson 1: Comparing Height and Length To compare height and length using key terminology.	Lesson 2: Measuring Length Using Things To measure objects using other items, such as pencils or books. (Practical, no workbook)	Lesson 3: Measuring Height and Length Using Body Parts To be able to measure items using other things – parts of the body in particular.	Lesson 4: Measuring Height and Length Using a Ruler over 2 days To introduce the concept of using rulers for measuring.
3 Test, review and rem	ediation	(Indenedi, no workbook)		tor mousoning.
Lesson 4: Measuring Height and Length Using a Ruler <u>over 2 days</u> 4 Chapter 10: Numbers Revision and Mid- year Test A Review and	Chapter 9 review and consolidation To practise various concepts covered in the chapter. s to 40 Lesson 1: Counting to 40 (over 2 days) To use the making 10 strategy to count numbers above 10; to	Revision and Mid- year Test A (REVISION 1) Review and Remediation Lesson 1: Counting to 40 (over 2 days)	Revision and Mid- year Test A Review and Remediation Green pen and teacher led discussion with class Lesson 2: Writing Numbers to 40 (over 2 days) To use the ten- frame method of organisation & place-	Revision and Mid- year Test A (REVISION 2) Review and Remediation Lesson 2: Writing Numbers to 40 (over 2 days)
Remediation Green pen and teacher led discussion with class 5 Chapter 10: Numbers Exploration lesson: representation of	represent numbers on a number line. to 40 Lesson 3: Counting in Tens and Ones (over 2	Lesson 3: Counting in Tens and Ones (over 2	value cards to assist in writing numbers to 40; to encourage multiple ways of counting, incl. by 2, 5 & 10. Lesson 4: Comparing Numbers (over 2 days)	Lesson 4: Comparing Numbers (over 2 days)
numbers to 40 using Dienes Break for half term	days) To understand that digits represent tens and ones; to represent numbers using Base 10 materials and numbers.	days)	To use place value to compare 2 or 3 numbers & determine which is bigger/ smaller; to arrange 3 numbers in order of size.	

Spring 2: 29 lessons				
1 Chapter 10: Numbers				
Lesson 5: Finding How Much More (over 2	Lesson 5: Finding How Much More (over 2	Lesson 6: Making Number Patterns (over 2	Lesson 6: Making Number Patterns (over 2	Chapter 10 review and consolidation To practise various
days) To compare numbers using number bonds,	days)	days) To observe and use number patterns; to see	days)	concepts covered in the
100-squares (deepening) and		number lines in conjunction with		
number lines to determine how much more/less.		number squares in order to create visual proportionality.		
2 Chapter 11: Addition	and Subtraction Word Pro			
Revisit numbers to 40	Lesson 1: Solving Word	Lesson 1: Solving Word	Lesson 2: Solving Word	Lesson 3: Solving Word
with Dienes (and above, according to class needs)	Problems (over 2 days) To decide whether add or subtract is most appropriate operation; to use & apply number bonds & visual representations to solve word problems.	Problems (over 2 days)	Problems To use and apply concepts of how many more and how many fewer/less; to apply number bonds and the guess-and-check method to solve word problems. (NB: No activity time)	Problems (<u>over 2 days</u>) To develop number sentences based on word problems; to improve use of number bonds & 1:1 bar model representations to suit the question.
3 Chapter 11: Addition	n and Subtraction Word P	roblems		
Lesson 3: Solving Word	Lesson 4: Solving Word	Lesson 4: Solving Word		
Problems (<u>over 2 days)</u>	Problems (over 2 days) To use pictorial representations to help solve word problems; to choose the correct operation to solve a word problem.	Problems (<u>over 2 days</u>)	SPRING TEST: arithmetic	SPRING TEST: reasoning
4 Ch 11: Addition & Sub	traction Word Problems	Chapter 12: Multiplicat	ion	•
Lesson 5: Solving Word Problems <u>over 2 days</u> To use visual represent & patterns to solve word problems; to develop precision in model	Lesson 5: Solving Word Problems <u>over 2 days</u> (NB: No chapter review)	Lesson 1: Making Equal Groups To identify equal groups as 1st step in multiplying; to reinforce the arrangement of objects	Lesson 2: Adding Equal Groups To count groups of the same quantity more efficiently; to find multiple ways of	Lesson 3: Making Equal Rows To organise objects into equal rows in order to begin counting equal numbers efficiently.
drawing to recognise similarities and differences.		does not impact their number.	counting groups of same quantity.	
5 Chapter 12: Multiplic	ation		•	
Lesson 4: Making Doubles To understand doubling is creating same number to the one you started with; to understand doubling is same as saying two groups of same amount.	Lesson 5: Solving Word Problems (over 2 days) To solve word problems using equal groupings as the basis for multiplication.	Lesson 5: Solving Word Problems (over 2 days)	Chapter 12 review and consolidation To practise various concepts covered in the chapter.	Lesson 1: Grouping Equally <u>over 2 days</u> To divide even number into equal groups using concrete materials; to determine how many groups will be created from sharing equally.
6 Ch12:Multiplication	Chapter 13: Division			
Lesson 1: Grouping	Lesson 2: Sharing Equally	Lesson 2: Sharing Equally	Consolidation	
Equally <u>over 2 days</u>	Over 2 days To divide even numbers equally into groups; to determine how many objects will be included	Over 2 days	To be used if lessons take longer than expected or a topic needs to be revisited.	Easter break
	in each group in order to share equally.			

Summer 1: 28 or 29 less	ons (check INSET)			
1	Chapter 14: Fractions			
INSET day school: Belleville, Belleville Wix, The Alton Churchfields: Revisit division and complete <u>Chapter 13</u> review and consolidation	Lesson 1: Making Halves To split an object (shape) into two equal parts; to identify shapes that have been split into two equal parts.	Lesson 2: Making Quarters (over 2 days) To split an object (shape) into four equal parts; to identify shapes that have been split into four equal parts.	Lesson 2: Making Quarters <u>(over 2 days)</u> Focus on quartering numbers	Lesson 3: Sharing and Grouping <u>(over 2 days)</u> To share and group objects into halves & quarters; to find half of a number and a quarter of a number.
2 Chapter 14: Fractions		Chapter 15: Numbers to	100	
Lesson 3: Sharing and	Consolidation	Chapter 14 review and	Explore numbers to	Explore numbers to
Grouping (over 2 days)	(**Or use to recap numbers to 40) To be used it lessons take longer than expected or a topic needs to be revisited.	consolidation To practise various concepts covered in the chapter. (**Could do before consolidation lesson)	100	100
3 Chapter 15: Numbers	s to 100			
Lesson 1: Counting to 100 (over 2 days) To count in sequences of 10 continuing by counting ones; to increase confidence with number lines & Dienes to count numbers to 100 4 Chapter 15: Numbe	Lesson 1: Counting to 100 (over 2 days)	Lesson 2: Finding Tens and Ones <u>over 2 days</u> To understand the value of the tens and ones digits in a number; to use multiple methods of representing and constructing a number.	Lesson 2: Finding Tens and Ones <u>over 2 days</u>	Lesson 3: Comparing Numbers (over 2 days) To review and extend skills and strategies related to number comparison; to place numbers in order from smallest to greatest and vice versa.
4 Chapter 15: Numbe				
May Bank holiday	Lesson 3: Comparing Numbers <u>(over 2 days)</u>	Lesson 4: Making Number Patterns (over 2 days) To see patterns of numbers when increasing or decreasing by 1, 2 or 5; to use a number line, a 100-chart and Dienes to represent numbers.	Lesson 4: Making Number Patterns <u>(over 2</u> <u>days)</u>	Chapter 15 review and consolidation To practise various concepts covered in the chapter.
5 Chapter 16: Time				
Lesson 1: Telling Time to the Hour (over 2 days) To develop familiarity with the analogue clock, including the minute and hour hands; to tell time to the hour on an analogue clock.	Lesson 1: Telling Time to the Hour (over 2 days)	Lesson 2: Telling Time to the Half Hour (over 2 days) To improve familiarity with the analogue clock; to tell time to the half hour using the term 'half past'.	Lesson 2: Telling Time to the Half Hour (over 2 days)	Consolidation To be used if lessons take longer than expected or a topic needs to be revisited.
6 Chapter 16: Time				
ADDITIONAL LESSON: Drawing hands on clock (o'clock)	ADDITIONAL LESSON: Drawing hands on clock (half past)	Lesson 3: Ordering Events To sequence events in order of time; to use the terms 'next,' 'before' and 'after' to describe the order of events.	Lesson 4: Estimating Duration of Time To estimate an amount of time using seconds, minutes and hours.	Lesson 5: Comparing Time To use the terms 'quicker', 'slower', 'earlier' and 'later' when comparing time.
Break for half term Ha	omework: Drawing har	nds on clock (o'clock d	and half past)	

Quality First Education Trust

Summer 2: 37 or 38 less	ons (check INSET)			
1	Chapter 16: Time		Chapter 17: Money	
INSET day school: Churchfields <u>Belleville, Belleville</u> <u>Wix, The Alton:</u> Revisit division and complete <u>Chapter 13</u> review and	Lesson 6: Using a Calendar To learn the days of the week and the months of the year and to be able to put them in the correct order.	Chapter 16 review and consolidation To practise various concepts covered in the chapter.	Lesson 1: Recognising Coins To recognise coins & determine their value using size, colour, markings and shape.	Lesson 2: Recognising Notes over 2 days To recognise notes and determine their value using colour and markings.
consolidation				
2 Ch.17: Money	•		Chapter 18: Volume &	Capacity
Lesson 2: Recognising Notes <u>over 2 days</u>	ADDITIONAL LESSON: recognize money, incl. value of coins and equivalent value in differing combinations.	Chapter 17 review and consolidation To practise various concepts covered in the chapter.	ADDITIONAL LESSON: Revisit number bonds to 20 and numbers to100	Lesson 1: Comparing Volume and Capacity over 2 days To compare volume and capacity using the terms 'more than' and 'less than', 'full' and 'empty.'
3 Chapter 18: Volume		F		
Lesson 1: Comparing Volume and Capacity <u>over 2 days</u>	Lesson 2: Finding Volume and Capacity To find the capacity of a container using non- standard units.	Lesson 3: Describing Volume Using Half and a Quarter To describe volume using the terms 'half' and 'quarter'.	Consolidation To be used if lessons take longer than expected or a topic needs to be revisited.	Chapter 18 review and consolidation To practise various concepts covered in the chapter.
4		Chapter 19: Mass		•
ADDITIONAL LESSON: Revisit number bonds to 20 and numbers to100	SUMMER TEST: arithmetic	SUMMER TEST: reasoning	Lesson 1: Comparing Mass To compare the mass of objects using the terms 'heavy' and 'light', 'heavier than', 'lighter than' and 'as heavy as'.	Lesson 2: Finding Mass To find the mass of an object using non- standard units; to use visualisation skills to estimate the number of units
5 Chapter 19: Mass	Chapter 20: Space			
Lesson 3: Finding and Comparing Mass To be able to find and compare the mass of a range of objects using non-standard units.	Chapter 19 review and consolidation To practise various concepts covered in the chapter.	Lesson 1: Describing Positions <u>over 2 days</u> To describe the position of objects in relation to one another using varied vocabulary.	Lesson 1: Describing Positions <u>over 2 days</u>	Lesson 2: Describing Movements over 2 days To describe movements of objects using varied language.
6 Chapter 20: Space	•		•	•
Lesson 2: Describing Movements over 2 days	Lesson 3: Making Turns over 2 days To understand how to make turns using mathematical language and connecting this knowledge to time.	Lesson 3: Making Turns <u>over 2 days</u>	ADDITIONAL LESSON: ¾ turns	ADDITIONAL LESSON: ³ / ₄ turns
7 Test, review and reme			.	
Chapter 20 review and consolidation To practise various concepts covered in the chapter.
