Year 2 Florence Nightingale

In Spring 1 while we were doing our Remote Learning, we studied Significant Individuals in History. One of the significant individuals we learnt about was Florence Nightingale.

Florence Nightingale came and joined us for a special Zoom session and told us all about her life.

This was a very interactive experience and the Year 2 classes absolutely loved it!

We learnt about her favourite and most unusual pet, why she ended up working at Scutari Hospital during the Crimean War and her lifetime achievements which still influence us today.
