## Year 6B Churchill War Rooms Visit 2019

On 14<sup>th</sup> November, Year 6B went to the Churchill War Rooms.

Churchill was the British Prime Minister during World War 2.

The bunker complex housed many rooms in which Churchill and his advisors conducted the British war effort against the Nazis.

The children thoroughly enjoyed their visit. The opportunity to walk in the very rooms and corridors that Churchill himself walked in really helped bring their history studies to life.
